DISCRIMINATION PROHIBITED - Title VI of the Civil Rights Act of 1964 states: "No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance." Title IX of the Education Amendments of 1972 states: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any education program or activity receiving Federal financial assistance." Therefore, Improvement of Undergraduate Instruction, as authorized under Title VI, Part A of the Higher Education Act of 1965 (P.L. 89-329) as amended, like every program or activity receiving financial assistance from the Department of Health, Education, and Welfare, must be operated in compliance with these laws.

NATURE AND PURPOSE OF THE PROGRAM: The purpose of this program is to improve the quality of undergraduate instruction in institutions of higher education by providing financial assistance on a matching basis for the acquisition of instructional equipment, materials and related minor remodeling.

ELIGIBLE PROJECT: Current State Allotments are made for two categories. Category I covers Laboratory and other special instructional equipment, materials, and related remodeling. Audio-visual equipment and materials are included in this category.

Category II covers grants for the acquisition of closed-circuit direct instruction television equipment, materials, and minor remodeling.

ELIGIBLE APPLICANTS: All accredited nonprofit institutions of higher education including post-secondary trade and vocational schools are eligible who comply with Title VI of the Civil Rights Act of 1964, are not "schools or departments of divinity" and meet the basic "maintenance of fiscal effort" set forth in the Act.

A State commission appointed to broadly represent higher education needs in each State determines priorities among projects in accordance with their own State plan. The closing dates for the receipt of applications are also included in their State plan.

TERMS OF ASSISTANCE: The Federal share may be for up to 50% of project costs. Specific limitations and percentages are set forth in the appropriate State plan.

STATUTORY AUTHORITY: Higher Education Act of 1965, P.L. 89-329, Title VI, Part A.

APPLICATION PROCEDURE: Application forms and instructions available from the State commissions. An applicant submits its application, before the established closing date directly to the State commission which forwards recommended applications to the U.S. Office of Education, Washington, D.C. Approval depends in part on the funds available under the State's allotment and the priority assigned under the State plan.
